Hi Melissa

\$1600. Thanksgiving deadline. And it would be the signage only, (no posts) Azek material. The top rounded sign plus the red and blue directional.

Hi Melissa,

The sign was only detailed on one side, can you check with Meaghan what the ballpark quote will be with this new information.

Thanks,
Dale

Hi Dale,

I heard from Meaghann. She gave me a ball park quote of \$2,000 for time and materials to replicate the boards for you -because they are double sided and all hand done.

I can ask for more specifics if you would like. I believe these are just the panels and not the large black posts.

She would be able to have them completed by Thanksgiving as a timeline for you if she were to get the go ahead within the next week or two.

Until later,

Melissa
